2. Kids class - ages 9 to 18
3. Adult class - over 18 years of age

Prize monies will be given to First & Second Place winners in each contest.

Official Rules

The first rule of consideration is SAFETY. Safety for all racers and for the public.

Use good common safety sense in construction, dress, and racing.

STRUCTURE:

1. Each team must pay a \$25 non refundable registration fee no later than the day of the race. This registration fee will be rewarded to the winners of the contests.
2. Outhouse must be built of any solid construction, and structurally sound enough not to fall apart during the race. No glass may be used in the construction.
3. Outhouses must be a minimum of 9 square feet at the base, and may be no more that 6 feet (including grasping devices).
4. Outhouse is to have four walls, a roof, a doorway, and a seat, with at least one (1) hole. It may also have a door, but the door must be secured open during the race.
5. Any number of wheels may be used.
6. Any device for grasping (to push or to stop the outhouse) may be used except ropes. All grasping devices must be secured solid.

7. Each outhouse must have a “name” and appropriate graphics. The name must be displayed on each side of the outhouse. - SPONSORS names may be applied anywhere in or outside the outhouse.
8. Each team/outhouse should have a “theme”, maybe the festival theme for the year.
9. No motors, bicycle-type devices, etc. are allowed.
10. Any outhouse deemed unsafe by the judges will not be allowed to race. They may still enter in the design/decoration contest.

TEAM:

1. Each team shall consist of 4 persons, 3 pushers and 1 rider. At the turns, the team members may be requested to perform an activity and to change positions as the rider.
2. A helmet is recommended for at least the rider.
3. No rider under the age of 9 for the kids class, and under 18 for the adult class.
4. A grasping device (or a seatbelt) for the rider to hold is permitted and recommended.
5. Outhouse pushers must keep their hands on the grasping devices at all times during the race.
6. Pushers must be able to see around the outhouse.
7. Three members of the team will push the outhouse down the 100 yard course and one will be the rider on the seat in appropriate clothing.
8. Boxers must be worn over street clothing and pulled down below the knees once you’ve been seated. Boxers must not be pulled down until entering the outhouse.
9. Halfway down the course, and at the turning cone, STOP, switch riders. The boxers should then be worn by the next rider, pulled up until entering the outhouse.
10. The next rider will be seated with the boxers below the knees before proceeding with the race.
11. At the half way point of the course, the team may be asked to perform a function (such as catching toilet rolls of paper).
12. Teams will compete two at a time.

Penalties

- There will be a five second penalty if the boxers are not below the knee before the teams takes off, or if boxers are not all the way up before entering the outhouse.
- There will be a five second penalty if the riders jumps off prior to the turn or stop locations.
- There will be a five second penalty if the cone is knocked over.
- There will be a five second if function is not completed.
